Altitude Brunches Out

GROUPS of 10 or more get a 15% discount on brunch at **Altitude 360** (tel: 0845 500 2929, squaremeal.co.uk/altitude), way up on the 29th floor of the Millbank Tower. Guests are treated to a glass of Champagne on arrival, handy for pondering the dizzying array of choice. Food bars dotted about the room range from an egg station to a full-blown carvery, dishing up beef, lamb and gammon with all the trimmings. There's even a section dedicated to decadent desserts. At £65 a head before the discount, it doesn't come cheap but these are million-dollar views we're talking about.
